

## **10-Year Waste Management Strategy Community Reference Group Nomination Guidelines**

Litchfield Council is undertaking a strategic review of the current waste services and consulting with the community and stakeholders to develop a new and comprehensive Waste Management Strategy (the Strategy) for the next 10 years.

To support the development of the Strategy Council intends to establish a **Community Reference Group**.

The purpose of the 10-year Waste Management Strategy Community Reference Group is to:

- Represent the views of the community and provide new ideas.
- To monitor and review the implementation of the community engagement plan.
- Provide strategic direction and leadership to assist the Council in meeting the objectives of the Waste Management Strategy.

The Reference Group will commence in early November 2016 and will continue until the draft Waste Management Strategy has been presented to Litchfield Council scheduled in June 2017. It is anticipated that the Reference Group will meet four times, all members will be expected to attend all meetings.

### **SELECTION CRITERIA:**

Selection will be based on the identified criteria as well as the individual merit.

Selection criteria will include community members who:

- Are residents in the Litchfield municipality
- Have community connections in the Litchfield municipality
- Can ensure availability for the Reference Group meetings
