New Director to join Litchfield Management Team

Thursday 2 June 2016

Litchfield Council CEO Ms Kaylene Conrick will welcome a new member to her management team on Monday 6 June.

Mr Stuart Totham will join the Litchfield Council as the Director of Community and Corporate Services.

Mr Totham brings with him a finance management background and is highly skilled in business and strategic planning, corporate governance and risk and human resources management.

"This is a key leadership position, I am confident that Stuart's notable achievements and business experience will be a valuable asset to our management team.

"As a local government organisation, we often feel that we have the ability to make a difference from the ground up, as a former CEO of a number of sporting organisations Stuart shares our passion for working at the grass roots to deliver real results," Ms Conrick said.

Mr Totham's new role will include Finance, Community Services, Human Resources, Risk Management, Customer Service and Information Services.
