HARMONY DAY

Litchfield Council wishes you a Happy Harmony Day

Harmony Day, 21 March, celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone. It's also a great day for Australians from all walks of life to come together and celebrate our rich cultural diversity.

Combined with the many cultures of our first Australians 45% of Australians are either born overseas or have a parent who were.

Around 7.2 million people have migrated to Australia since 1945.

Here in the far North of Australia, we have a wonderful cosmopolitan population that has brought to our way of life exciting foods, crafts and industry. Therefore today, embrace cultural diversity and share what we have in common.

The central message for Harmony Day is that 'everyone belongs', reinforcing the importance of inclusiveness to all Australians.

EVERYONE BELONGS
