

Fred's Flyer

News from our Master Plan Consultant – Sharon Innes

Half of the user Groups have met with Sharon Innes and Board Representatives. Framework for the master plan is emerging, more meetings will occur during March and feedback will be provided through the Fred's Flyer and to individual organisations'. Many useful ideas have been generated and seems to be a common focus over the need for structured parking, improvements to

roads, and upgrading of power and drainage networks. If you have any ideas on how to improve the Reserve facilities, send them through to Sharon Innes sharyn.innes@bigpond.com Comments will enable the board to move forward and improve facilities and operational matters in a structured manner.

SDFC sides do club proud in the Finals

The SDFC had eight teams playing in finals on the weekend just gone. Not all teams continue on in the finals as three were defeated out of the finals but what a great effort to have one team already make a Grand Final and four others playing for Grand Finals spots in this weekend coming.

The Highlight of the weekend was the Under 16s Division Two beating the previously undefeated Nightcliff. This Crocs team has played better and better as they have come into the finals and by defeating Nightcliff on the weekend now have a week off before playing in the Grand Final next weekend. They will have to play like they did on Saturday to be Premiers as Nightcliff have set the pace all season and will come out wanting the win in the Grand Final.

Other teams had mixed results with both the Under 12s Div Two teams and the Div Two Men's being knocked out of the finals by stronger sides on the day, all these sides are very young including the Men's team which had a lot of young players playing this year, and on the weekend having three up and coming Under 18s players. They all stood up and did the club proud.

March 2014

The Under 16s Div One team only just went down to the undefeated Nightcliff side and hopefully with players coming into the side can get a win over Wanderers next weekend and make the Grand Final. The Under 14s Div One had a strong win over Buffaloes and now face a hard game against Waratah. And the Div Two team lost to undefeated Nightcliff but hopefully get up over Waratah this weekend to make the Grand Final. Div One Under 12s lost to the undefeated Saint Marys but get another chance this week against Palmerston. All these sides have done a great job this season, with many players playing for the first time in their grades this year, to make it to where they have is tribute to all the players and team staff.

Seniors and Juniors Presentations

The SDFC held the Club Trophy Presentations over the last two weekends. Both the night for seniors and the day for juniors were great events with around 200 people attending the seniors and over 300 at the junior's presentations.

The club had nearly 300 players this season and it was so good to see most of them attend the presentations. All trophy winners will be up on the club website soon.

SDFC is always looking for sports trainers

All grades – juniors to premier league. The club is willing to help you with fees if undergoing training. Working with Children, and an Ochre Cards are a requirement. If you are interested please contact the club by email sdfccrocs@gmail.com or ring Aaron 0408197432

Volunteers Needed

We are looking for persons interested in helping out at the club in ANY capacity. We need volunteers to help with the footy side of things, helping in the bar and canteen, cleaning the toilets weekly and fundraising. Every team needs to supply volunteers otherwise the club cannot operate fully.

The club is only as good as its volunteers and we need your help!!!

If you are interested please contact the club by email sdfccrocs@gmail.com or ring Aaron on 0408197432 www.sdfccrocs.com.au

Australian Made Internationally Played

Freds Pass Sport & Recreation Reserve is the home of Northern Territory Polocrosse. From the 7-13th July you will have the opportunity to witness the best players and horses from around Australia in action as the Northern Territory Polocrosse Association host the 24th Australian Polocrosse National Championships.

An estimated 300 players and their horses will be calling Fred's Pass Sport & Recreation Reserve home during the event along with 1000 supporters camping on the grounds, and up to 3000 interstate visitors spectating the event.

The NTPA invites members & user groups of Fred's Pass Sport & Recreation Reserve to hold a Trade Stall on site during the event. For further details and to book contact Shae Cooper via email shae.poloxnationals2014@gmail.com

News from our Operations Manager and Team

Accessing the Reserve Afterhours

If User Groups are accessing the Reserve afterhours e.g. attending club meetings etc could you please notify the Office, so that we can inform the Caretakers and notate this in the weekly User Group Calendar. This will assist the Caretakers as there have been personnel accessing the Reserve afterhours for no reason.

Lights

Just a friendly reminder, could all clubs please ensure that all lights are turned off at your relevant training ground/club house prior to leaving the Reserve of an evening.

New Token System for The Lights

Due to the weather conditions we have not been able to hold the training sessions on how to operate the lights, date is to be confirmed in April but will notify all User groups via e-mail once this date has been confirmed.

Something to think about.....

“What goes up a hill with three legs and comes down on four?”

A lawyer and a senior citizen are sitting next to each other on a long flight.

The lawyer is thinking that seniors are so dumb that he could get one over on them easily.

So, the lawyer asks if the senior would like to play a fun game.

The senior is tired and just wants to take a nap, so he politely declines and tries to catch a few winks.

The lawyer persists, saying that the game is a lot of fun..... “I ask you a question, and if you don't know the answer, you pay me \$5.00. Then you ask me one and if I don't know the answer I will pay you \$500.00,” he says. This catches the senior's attention and, to keep the lawyer quiet, he agrees to play the game.

The lawyer asks the first question. “What's the distance from the Earth to the Moon?”

The senior doesn't say a word, but reaches into his pocket, pulls out a five-dollar bill, and hands it to the lawyer.

Now, it's the senior's turn. He asks the lawyer, “What goes up a hill with three legs, and comes down with four?”

The lawyer uses his laptop to search all references he can find on the Net.

He sends E-mails to all the smart friends he knows, all to no avail. After an hour of searching, he finally gives up...

He wakes the senior and hands him \$500.00. The senior pockets the \$500.00 and goes right back to sleep.

The lawyer is going nuts not knowing the answer. He wakes the senior up and asks, “Well, so what goes up a hill with three legs and comes down with four?”

The senior reaches into his pocket, hands the lawyer \$5.00, and goes to sleep..
