An Infant subsidy is available with the following conditions;

- For burial or cremation costs of children up to the age of two years, including stillborn children.
- The subsidy will be available up to a maximum of fifty percent (50%) of the interment cost or 50% of the cremation cost or \$900.00 whichever is lesser, at any section of Thorak Regional Cemetery.
- The parent or legal guardian is a resident within the Darwin, Palmerston or Litchfield municipalities.
- The subsidy will be for the interment cost or cremation cost (not both) and will be applicable at the time of service as a one-off only payment. One claim per infant.
- The subsidy will be paid to individual residents only and will not be available to organisations or government agencies carrying out interments or cremations for children in their care.
- The subsidy will only be available on receipt of proof of residence within the Darwin, Palmerston and Litchfield Municipalities. Proof of residence will require photo identification with a current address shown, or a letter or account for utilities service including Power Water, a current rental agreement, rates notice or any other identification document as approved by the Chief Executive Officer.
