CARRIED

7 Other Business

7.1 Potholes at the basketball court and the entrance ramp have been identified as hazards to be addressed through capital works. Quotes for pothole repairs are currently being pursued, and discussions with the DIO regarding the ramp at the hall entrance will follow.

7.2 Pest control has been identified as a high priority before the wet season due to the potential risk of damage to electrical boards and wooden structures.

7.3 Shed Usage: The Scouts are utilising the spare sheds to store and organise their belongings, and TEGMC has expressed interest in doing the same. Currently, TEGMC has access to internal storage but would like to use one of the sheds for better organisation. This matter was discussed during the meeting, and coordination between the clubs is ongoing.

8 Close of Meeting

Meeting closed at 5:58 pm.

The next meeting is scheduled for Thursday, 5 December 2024 at 5:30pm.
